

Dear Business Owner

Spruce Grove Ringette Association is currently seeking corporate sponsors for the 14 teams it represents.

Ringette is a sport of complex motor skills within an environment of explosive speed and finesse. Combine ice skating in full equipment, carrying a stick, controlling a ring, reading and reacting to an ever-changing environment, delivering and receiving passes, and stopping and starting at full speed. It is one of the fastest sports in the world.

Some of the benefits of being a corporate sponsor include:

- your company name precedes the team name
- each team has a banner that is displayed at games which would include your name and logo, if you have one
- all sponsors are listed on our website (once all are in place)  
[www.sprucegrovringette.com](http://www.sprucegrovringette.com)
- an information letter is sent to all members of the association, encouraging them to use our sponsors for their business needs

Please join us in promoting this awesome sport. We are asking for a minimum donation of \$750.00 to help us pay for ice and to keep the cost of registration as low as possible. If you are interested in becoming a sponsor, please feel free to contact me.

Thank you for your consideration.
